## EUROPEST 2010

### 22–23 APRIL 2010, BUDAPEST, HUNGARY

The CEPA-initiative conference, EUROPEST will take place in Budapest in 2010, jointly organized by the Confederation of European Pest Control Associations (CEPA) and the Hungarian Pest Control Association (MaKOSZ). CEPA presented its plans in November 2007 to support the European Industry with EUROPEST where the pest control industry can gather together to share good practice, update knowledge and skills from internationally recognized speakers and network to continue to raise the standards and professionalism in our great industry. The first meeting was held in Rome in 2008 and the second in London in 2009.

The language of EUROPEST 2010 will be English. Hungarian and simultaneous translation available dependent on the number of pre-registered delegates from each language.

The location of the Conference is Hotel Mercure Budapest Buda, close to river Danube and the Buda Castle in the cultural city of Budapest.

#### **Conference registration fee is 380 Euro / delegate**

**Includes** 2 days entry, 1 night accommodation in a single room on 22 April, welcome dinner on a boat on 22 April, 2 lunches, 3 coffee breaks.

#### **Supplementary package fee is 130 Euro / delegate**

**Includes** 1 night accommodation in a single room on 23 April, dinner with wine tasting on 23 April (country side, transfer included).

More information will be available on CEPA website at [www.cepa-europe.org](http://www.cepa-europe.org) and the conference website as well [www.cepa-europest2010.com](http://www.cepa-europest2010.com), where the online registration and hotel reservation is also possible.

Please, note these dates in your diary the organizers are looking forward to welcoming you in Budapest!
